

FAST FACTS

Federal Home Loan Bank Disaster Reconstruction Program (FHLB DRP) Grant Program Summary – Qualified Homeowner Repair/Reconstruction

What it is:

This is a grant program that potentially provides eligible homeowners with up to \$20,000 for disaster caused repairs needs. Program funds can be used for home repair and rebuilding only. Program funds cannot be used for outbuildings, detached garages, fences or other structures.

Who is Eligible? Criteria:

- You are a homeowner with tornado related damage to be addressed
- Your damaged home:
 - is/was owner-occupied and was your primary residence on May 27, 2019
 - is a single family detached home (or qualifying manufactured home)
 - is located in a FEMA disaster declared county
 - is uninsured or underinsured
- Your household income is equal to or less than the thresholds as outlined on chart below

FHLB Eligibility Income Limits	
Household Size - 1-2 Person	Household Size - 3+ Persons
\$68,700	\$79,005

How do I apply?

Complete the enclosed FHLB application.

Mail the completed application and supporting documentation including:

- Proof of home ownership
- Income verification (as detailed on the application form)
- Insurance documentation or the signed “Certificate of Non-insurance” statement
- A copy of a Vectren or DP&L bill from May 2019 to document your residency at the property at the time of the tornadoes

Mail to: MVLTRG, PO Box 903, Dayton OH 45401.

Note: The FHLB program is just one possible resource that might assist you in your recovery. A disaster case navigator will be assigned to help you identify and access additional resources to meet both your immediate needs and those related to your long-term disaster recovery goals.
